Applying for a Federal Direct Graduate Loan

**Step 1** Log into OPUS, access the appropriate aid year and accept your loan offer(s). You may accept the full amount(s) or accept a reduced amount.

**Step 2** Complete Entrance Counseling at [StudentAid.gov](https://studentaid.gov). Under Popular Topics select “Complete Loan Entrance Counseling” link found on the right of the page. You will need to identify yourself as a Graduate student to complete the correct module. Next, log in using your Email, Phone, or FSA ID. If you do not already have an FSA ID, select Create Account in the top right corner of the page.

**Step 3** E-Sign the MPN, Master Promissory Note, at [StudentAid.gov](https://studentaid.gov). Under Popular Topics select “Complete a Loan Agreement (Master Promissory Note/MPN)”. You will need to identify yourself as a Graduate student to complete the correct module. Next, log in using your Email, Phone, or FSA ID. If you do not already have an FSA ID, select Create Account in the top right corner of the page. You will be guided through a 4-step process and will receive confirmation after successful completion; be prepared to include 2 references and your driver’s license number. You may complete your MPN or request a FSA ID before accepting your offer(s) or filing a FAFSA; however we recommend that you sign your MPN no earlier than 6 months before you begin at Emory University.

**Fees/Rebates:** Federal Direct Loans are charged a loan fee by the federal government. This fee, 1.057% helps offset the government’s cost of making low-interest loans. The fee is deducted from the gross amount of the loan.

Example:
Student borrows $20,500 for 2023-2024. The loan fee of 1.057% is subtracted from the loan ($20,500 X 1.057% = $216.69). The disbursement amount of the loan is $20,283.32 ($20,500 − 216.69).
