

## 2022-23 Verification Worksheet - Dependent Student

Your Free Application for Federal Student Aid (FAFSA) was selected for a process called verification. Verification requires the school to confirm the information reported on the FAFSA. Students are randomly selected by the Department of Education for this process. Once verification is complete, the school will correct information on the FAFSA if needed. Please complete the form and be sure you and at least one parent sign the worksheet.

Supporting documents requested by the Office of Financial Aid may be submitted via US mail, email or fax. **In an effort to safeguard your personal information, the Office prefers that forms be submitted via fax.** When submitting documentation, please do not submit image files or photographs.
