Handshake is Emory’s student job posting database and is managed by The Emory Career Center. Handshake allows Emory departments to post positions to recruit Emory students. The Emory Career Center primarily serves undergraduate students in The College, Goizueta Business School, School of Nursing, and Oxford College.

Your Handshake account allows you to post Federal Work Study positions, part-time on-campus positions for your department, and/or private part-time positions for your personal work-life balance interchangeably. This user guide will give you instructions on how to post each position in the approved manner through using Handshake. An Emory email address is required for each contact.

- The Career Center approves on-campus, non-federal work study and Work Life’s Employer-Student Job Network positions. Job postings will be approved within 2 business days of posting date.
- The Office of Financial Aid approves and maintains all federal work study positions.
- While we do not counsel graduate students from Laney Graduate School and Candler School of Theology, their students have access to view and apply to postings on Handshake.
- We do not post for graduate students in Law, Public Health, MBA, or Medicine. Please reach out to those schools directly to connect with their student body.

Departments seeking information on how to post to the Rollins Earn And Learn (REAL) Program, please contact https://www.sph.emory.edu/rollins-life/community-engaged-learning/real/employers/index.html for more information. **PLEASE NOTE that REAL positions are not accepted through the Emory Student Employment account and will be declined**

RENEWING AN EXPIRED JOB POSTINGS

From your home page, click on the link for “Jobs” under the Postings section in the black column.

You are viewing a full list of all the positions currently running on the Emory University account. To view your position(s), click on the “Edit this” link at the top of the screen at the blue Jobs section and select “Jobs created by me” from the drop-down menu. This will populate only your ACTIVE postings.

Filter by the Expired status and open the job you would like to renew and Select renew job.
Skip to the Schools section and edit the Apply start date / Expiration date to your current dates. Then select Save.

NOTE: The status of the job will be reset from 'expired' to 'pending'.

If you would like to renew the job posting but would not like the past applicants to be associated with it, you may want to duplicate the job, and then post the duplicated job. (See next section DUPLICATING A JOB POSTING)

Duplicating a job will remove all current applications and then once the student applies, you will only see new applications.
DUPLICATING AN EXPIRED JOB POSTING

Follow the instructions above for renewing a job posting up to the last step, where you locate and open the job posting.

To begin, click Jobs from the left navigation bar, then locate the job you'd like to duplicate.

Tip: Use the tabs at the top of the job postings table to switch between displayed results for Active, Expired, All, Declined, Not Posted, or Divisions. Click directly on the title of the job.

On the job overview page, click More Actions in the top-right corner and select Duplicate job.

Review the duplicated posting to make changes before you save. The key areas to update are:

**Job Title** – If the job is a FWS job, please make sure that FWS is in the beginning of the job title. If you are duplicating a job to create a non-FWS job, please remove the FWS from the job title.

**Start Date and End Date** - If you are duplicating an old position, the start date and end date must be updated to reflect the current school year start date and end date.

**Details** - Review your details and make any updates as needed (i.e. if a non-FWS position remove the check in the Work Study box).
**Apply Start Date & Apply End Date:** Review the default dates that your job is set to open / expire and update them if needed.

Click Save in the bottom right of the screen.
Important Notes about Handshake

- When creating a Federal Work Study job, you should always put FWS in the job title.
- Once you have filled a position or wish to remove a job from student view, you must login to Handshake, go to Job, click on “Edit this,” select jobs created by me, click on the desired job, and under “Menu” (in the right column) select “Expire Job.”
- All on-campus student jobs, including FWS, are housed under one employer account. This means that multiple users will have access to this account. It is important that you only edit information on jobs that you posted. You can easily keep track of your jobs by using the “Jobs created by me” function.
- When viewing the job postings, you will see an orange “Pending” until the OFA has viewed and released the job, at which point you will see the green “Approved”, indicating students may apply for the position.
- The Job ID number is unique to each job posting. You must enter it into HR Web when hiring FWS students for the student’s HR record to correspond to your Handshake job description.
- There is no field which allows you to enter the number of openings for a certain position. However, it is still possible to hire multiple students under one Job ID number provided they are working identical jobs. If multiple students share identical job descriptions, start dates, etc., you may enter the same job ID for these students when hiring them in HR Web.
