

APPEAL DIRECTIONS FOR STUDENTS **(the Appeal Form starts on page 3):**

At the end of the Academic Year, Emory University's Office of Financial Aid will determine whether you have achieved the academic progress that is necessary to maintain your eligibility for Financial Aid. If you are not meeting the minimum Satisfactory Academic Progress (SAP) standards, your access to Financial Aid for the next academic year will be suspended, and you will receive an e-mail notifying you of the matter.

The SAP standards necessary to meet SAP can be found on the [SAP Policy](#) based on your degree program.

If you would like to submit an appeal to the Office of Financial Aid to have your eligibility to aid reinstated, you will need to submit a complete SAP Appeal Packet. A complete packet consists of the following:

1. A completed Appeal form which includes a degree audit and a proposed academic schedule, approved by an Academic Advisor, for the semester in which you are seeking reinstatement
2. A personal letter or statement that explains why you were unable to make satisfactory progress, and what has changed in your situation that will allow you to make satisfactory progress at the next evaluation, and
3. Documentation supporting the stated reason(s) for not meeting SAP.

Please note that SAP appeals will not be considered until a complete SAP Appeal Packet has been submitted (as described above).

The Office of Financial Aid will work toward notifying you of its decision within 3 business days from the time you submit your completed Appeal packet.

The Office of Financial Aid recommends that students submit the appeal at least one week before the end of the Add/Drop period in order to receive the decision and if approved, to receive Financial Aid for the semester in question. Appeal packets received after this time may not be reviewed in time for Add/Drop, and reinstatement (if approved) may be postponed until the following semester.

Submitting a SAP appeal does not ensure that your aid will be reinstated, and therefore you should have a back-up plan, if your appeal is denied. If your appeal is denied, or should you choose not to appeal, you can regain eligibility for aid by meeting both the Qualitative and Quantitative requirements for SAP.

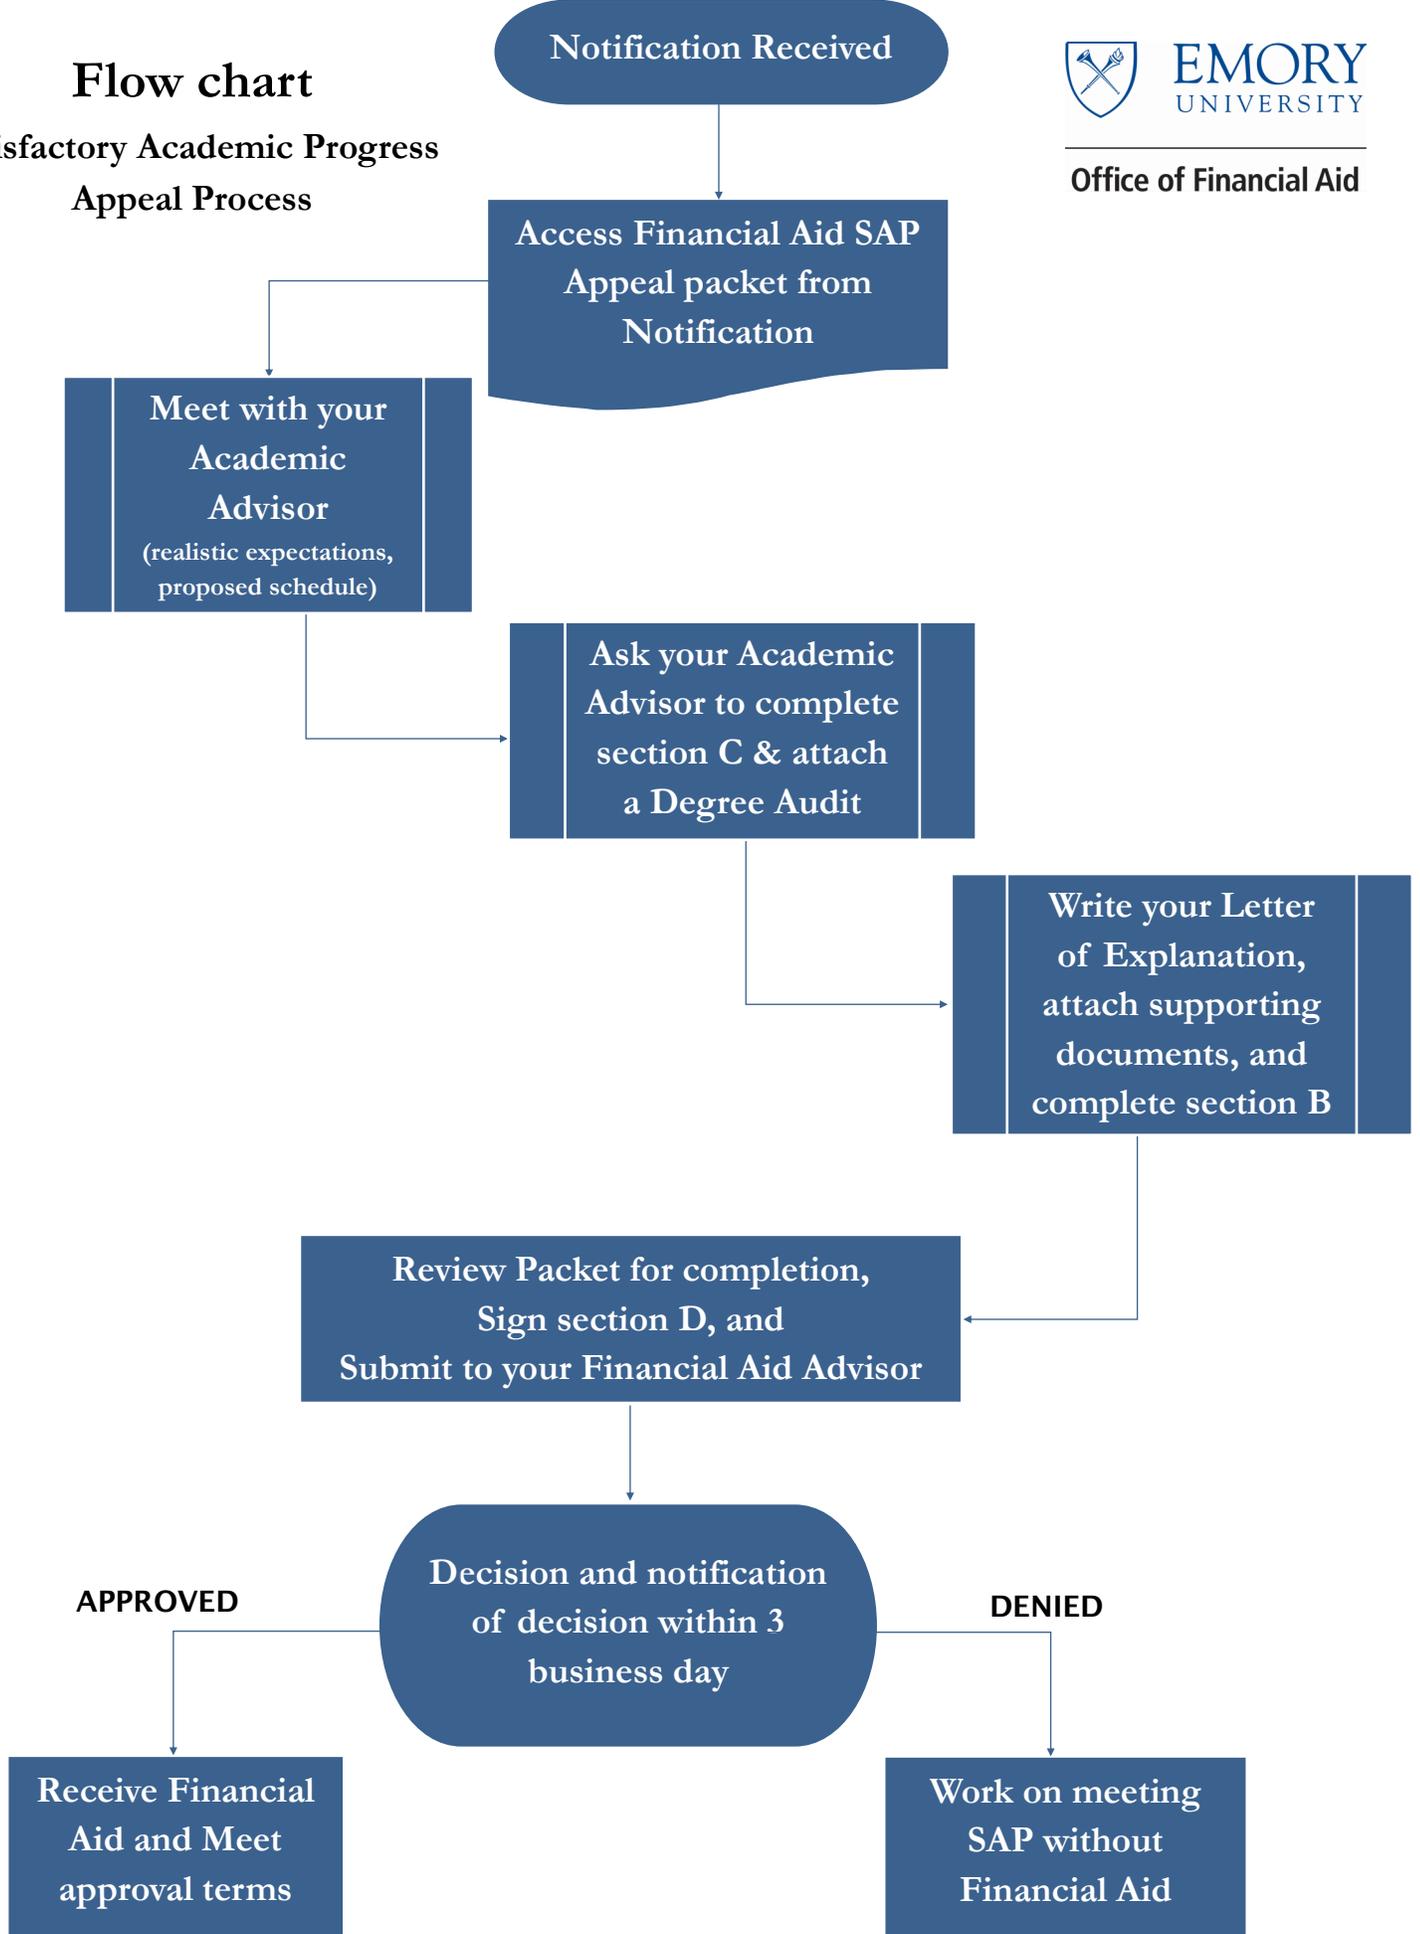

If your appeal is approved, make sure you understand what is expected of you so that you can regain regular eligibility to financial aid.
